CHEMEKETA COMMUNITY COLLEGE LAND ACKNOWLEDGEMENT

Prepared by

Diane Watson, Chair—Board of Education

We are gathered today on the land of the Kalapuya (pronounced “**cal-uh-poo-yuh**”), who today are represented by the Confederated Tribes of the Grand Ronde and the Confederated Tribes of the Siletz Indians, whose relationship with this land continues to this day.

We offer gratitude for the land itself, for those who have stewarded it for generations, and for the opportunity to study, learn, work, and be in community on this land. We acknowledge that our college’s history, like many others, is fundamentally tied to the first colonial developments in the Willamette Valley.

Finally, we respectfully acknowledge and honor past, present, and future Indigenous students of Chemeketa Community College.

G. REPORTS

Reports from the Associations

Lillian Anderson, Associated Students of Chemeketa (ASC), was unable to attend. The report stands as written.

Steve Wolfe, Chemeketa Faculty Association (CFA), sent an email stating that the report stands as written.

Aaron King, Chemeketa Classified Association (CCA), said the report stands as written and gave a CCA election update. The only position contested was for CCA President. There were three candidates, and since no candidate received more than 50 percent of the votes, a runoff election will be held between the top two candidates beginning Monday, June 23rd. Results will be announced on June 30th. In addition, Aaron listed the rest of the board that was elected.

Angela Archer, Chemeketa Exempt Association (CEA), said the report stands as written and listed the members of the Exempt Board elected for the next year.

Reports from the College Board of Education

Betsy Earls attended a Mid-Willamette Valley Council of Government (MWVCOG) budget committee meeting and a board meeting, the celebratory photo for the bond effort, fire program graduation, the Presidential Evaluation executive session, and Chemeketa commencement.

Jackie Franke attended two East Salem Rotary meetings, the celebratory photo for the bond effort, the Chemeketa BBQ (where she served), SOAR graduation, Salem Chamber Business of the Year awards, and the reception celebrating the first BAS cohort.

Diane Watson attended the STARS Reception, the celebratory photo for the bond effort, the Chemeketa BBQ (where she served), SOAR graduation, the 25th Anniversary Barrel Tasting, agenda review, a Dayton School District board meeting, the Nurse Pinning ceremony, the supervisor appreciation lunch, Chemeketa commencement, and the Presidential Evaluation executive session.

Neva Hutchinson attended the post-election bond celebration, the celebratory photo for the bond effort, the Chemeketa BBQ (where she served), the Bridge Building competition, Salem Chamber Business of the Year awards, the Presidential Evaluation executive session, the supervisor appreciation lunch, the reception celebrating the first BAS cohort, and Chemeketa commencement.

Birgitte Ryslinge attended the celebratory photo for the bond effort, 25th Anniversary Barrel Tasting, the Presidential Evaluation executive session, and Chemeketa commencement.

Iton Udosenata had no report.

Ken Hector attended the post-election bond celebration, took down bond field campaign signs, and attended the SEDCOR Economic Forum; STARS reception; four weekly OCCA legislative committee meetings; the Chemeketa BBQ (where he served); the annual SEDCOR golf tournament (in which he played); agenda review; Salem Chamber Business of the Year awards; the Presidential Evaluation executive session; the Nurse Pinning ceremony; the supervisor appreciation lunch; and Chemeketa commencement.

H. INFORMATION

Annual Evaluation of the President

Ken Hector reported that the board conducted the annual evaluation of the president, and then read the public statement. Jessica Howard was reviewed on the following categories: Board of Education; Management Competencies; Communicates Effectively; Facilitates Team Success; Community; Educational Planning and Leadership; Business, Finance; Facilities and College Personnel. In addition, Jessica asked for feedback on her performance related to the annual key college initiatives. The board rated Jessica's performance as exceptional in the categories listed above. Ken thanked Jessica for another great year.

Jessica thanked the board for its generous assessment, and stated her success is assisted by a great many colleagues across the college, and the board. Jessica thanked everyone for their support.

Oregon Community College Association (OCCA) Update

Ken Hector said the report stands as written; the end of the legislative session is about a week away; and at the next meeting there will be an update.

Emergency Medical Services Associate of Applied Science Degree (AAS)

Jordan Bermingham, Dean, Emergency Services and Diesel Technology, gave a brief summary of this degree. It provides a pathway to paramedic licensure that shaves off some of the anatomy and physiology prerequisites that are part of the paramedicine associate of applied

science degree pathways, making it more affordable for students and a more efficient pathway into the industry.

Suspension of Procurement Management Certificate of Completion

R. Taylor, Dean, Business, Social Science, and Technology, requested suspension of the Procurement Management Certificate of Completion due to students not taking this certificate, but enrolling in the two-year degree program. She noted that there is an error in the report stating that the certificate acts as an alternate credential; but it is really the degree that is required.

Suspension of Business Technology Certificate of Completion

R. Taylor requested suspension of the Business Technology Certificate of Completion, and noted there is a strong alternative to this certificate in the Office Fundamentals Certificate. The six students enrolled in this program will be able to complete the certificate.

Suspension of Legal Administrative Professional Certificate of Completion

R. Taylor requested suspension of the Legal Administrative Professional Certificate of Completion. Students are not needing this specialization, and currently no students are enrolled.

I. STANDARD REPORTS

Personnel Report

Alice Sprague said the report stands as written, noted there were four new hires in the general fund, and congratulated those employees on position changes.

Budget Status Reports

On the Statement of Resources and Expenditures, the tuition and fees show some summer tuition revenue but that is deferred to next fiscal year. On the total expenditures, the spend is around 82 percent and three percent less than the prior year, due to the status of contracts and negotiations. On the Budget Status Report, the faculty salaries now include the retroactive payments made in May to settle that contract. Part-time faculty salaries will be caught up at the end of June because they are being processed this month and will be reflected within the end-of-year statements. On the other fringe benefit line, there is a negative difference that is due primarily to the staff tuition waiver. Employees are taking advantage of the college's tuition, primarily driven by the BAS program. On the Status of Investments, there are two maturities. Those monies will not be reinvested until late August as more of the fall tuition comes in. The Local Government Investment Pool (LGIP) rate is staying steady at 4.6 percent.

Capital Projects Report

Aaron Hunter highlighted the Building 2 Ice Storm Restoration, moving the kitchen to Building 2, the Building 14 Seismic Rehabilitation, and the upgrade to the baseball fields for the Marion Berries baseball team. Their first game is Monday, June 23rd, and Aaron noted that a \$100,000 donation was received from a private donor to go towards replacing the lighting at the baseball fields.

CHEMEKETA COMMUNITY COLLEGE FACULTY ASSOCIATION (CFA)

Prepared by

Steve Wolfe, President—Chemeketa Faculty Association

SETTLEMENT OF UNFAIR LABOR PRACTICE COMPLAINT

In early January, the CFA filed an Unfair Labor Practice complaint with the state Employment Relations Board (ERB). The complaint alleged that the College had violated Oregon Revised Statutes and the Public Employees Collective Bargaining Act (PECBA) by failing to provide the Faculty Association with required information and failing to withhold and remit the correct amounts of dues.

On June 24, the ERB approved a consent order in which the College acknowledged it had committed unfair labor practices as alleged. Specifically, the College violated ORS 243.672(1)(b), (e), and (f) and the College was ordered to cease and desist from committing the unfair labor practices as stipulated. The College was also ordered to pay all outstanding dues owed and provide any outstanding information to the Association within 30 days, as well as to “work collaboratively with the Association to implement a process to ensure that the Association receives all information required under ORS 243.804, and to ensure the accurate and timely deduction of dues and transmittal of dues to the Association. The process must be agreed to by the Association after collaborative efforts have been made to reach an agreement.” (ERB Case No. UP-002-25)

ONGOING ASSOCIATION WORK IN SUMMER

The CFA Executive Board held its last meeting of the academic year on Zoom the first week of June. Monthly board meetings will resume in September. Association work continues during the summer, though. CFA President Steve Wolfe, PT Vice President Michelle Kennedy, and incoming FT Vice President Nolan Mitchell have answered many questions about retroactive pay resulting from the settlement of the new faculty contract spring term. CFA officers have also met and communicated with many faculty members in recent weeks regarding a variety of other concerns.

**CHEMEKETA COMMUNITY COLLEGE
CLASSIFIED EMPLOYEES ASSOCIATION (CCA)**

Prepared by

Timothy King, External Vice-President
Trina Butler, Director of Membership
Aaron King, President

PRESIDENT'S MESSAGE

Following the recent election, I am honored to continue serving as your CCA President. As we move forward into the 2025–2026 term, I remain deeply committed to rebuilding and strengthening our Executive Board with a renewed focus on transparency, collaboration, and inclusivity. Our goal is to ensure that the leadership of the Chemeketa Classified Association (CCA) reflects the diverse voices, experiences, and priorities of our membership.

This period of transition presents an opportunity to reaffirm our shared values and to cultivate a leadership team that is responsive, accountable, and aligned with the needs of our classified professionals. By fostering open communication and encouraging active participation, we aim to create a more engaged and empowered membership base—one that is equipped to advocate effectively for fair working conditions, professional growth, and institutional equity.

Strengthening Our Union Through OEA Affiliation

In alignment with our vision for a stronger, more connected union, the CCA is actively pursuing affiliation with the **Oregon Education Association (OEA)**. This strategic step will allow us to join a broader network of education professionals across the state, amplifying our collective voice and expanding the resources available to our members.

Affiliation with OEA offers numerous benefits, including:

- **Access to Professional Advocacy and Legal Support** – Members gain access to experienced labor representatives, legal counsel, and grievance support tailored to the needs of education employees.
- **Statewide Solidarity and Influence** – As part of a larger union, we will have greater influence in statewide policy discussions and education funding decisions that directly impact our work and our students.
- **Expanded Training and Leadership Development** – OEA provides robust training programs, leadership institutes, and conferences that will help us grow as advocates and leaders.
- **Enhanced Member Benefits** – From professional development to financial services and discounts, OEA membership brings a wide range of personal and professional perks.

We believe this affiliation will strengthen our ability to protect and advance the rights of classified employees at Chemeketa, while also connecting us to a broader movement for educational equity and worker empowerment across Oregon.

Leadership Transitions

Five members of our Executive Board have recently concluded their service. Three have submitted their resignations, which have been formally accepted, effective immediately:

Report-1c
July 16, 2025

- Jamila Harris, who was serving as Treasurer and had been elected to serve as Internal Vice President/Grievance Officer
- Justin Clovis, reelected to serve as Director of Training
- Kevin Rowley Jr., reelected to serve as Director of Public Relations

In addition, we would like to extend our sincere appreciation to:

- Kisha McIntosh, outgoing Internal Vice President/Grievance Officer
- Kristin Mauro, outgoing Secretary

We are deeply grateful for the time, energy, and dedication each of these individuals brought to the board. Their leadership and contributions have had a meaningful and lasting impact on the CCA and the broader Chemeketa community.

Current Executive Board Composition

In accordance with our bylaws, the remaining board members are actively reviewing next steps to ensure continuity and stability. This includes evaluating options for filling the vacant positions and maintaining the board's ability to serve our members effectively.

The 2025–2026 CCA Executive Board is currently composed as follows:

- President - Aaron King (Term of service 2025–2027)
- Internal Vice President - **Vacant** (Term of service 2025–2027)
 - Director of Union Stewards - Jason Bates (Term of service 2025–2027)
 - Director of Union Stewards - Gary Brittsan (Term of service 2024–2026)
 - Director of Training - **Vacant** (Term of service 2025–2027)
- External Vice President - Tim King (Term of service 2024–2026)
 - Director of Public Relations - **Vacant** (Term of service 2025–2027)
 - Director of Committee Recruitment - **Vacant** (Term of service 2024–2026)
 - Director of Membership Activities - Trina Butler (Term of service 2024–2026)
- Treasurer - **Vacant** (Term of service 2024–2026)
- Secretary - **Vacant** (Term of service 2025–2027)

EVENTS

This year's CCA Elections for Officers and Directors ran from June 10–18. The voting was conducted electronically using the SimplyVoting system. In addition, as a courtesy the Election Committee created paper ballots in an effort to encourage as many members to vote as possible. No single presidential candidate cleared the 50% requirement, which resulted in a runoff election between the top two candidates. The runoff election was held electronically from June 23–30. Aaron King (Incumbent) received the most votes. Results are as follows:

President

Aaron King 63 (40.9%)

CHEMEKETA COMMUNITY COLLEGE EXEMPT ASSOCIATION

Prepared by

Elizabeth Facanha, Vice President—Chemeketa Community College Exempt Association
Angela Archer, President—Chemeketa Community College Exempt Association

The Exempt Association president will provide a verbal report at the date year, Board of Education meeting.

JON MATHIS reports that the Bridging Institute for Inclusion and Belonging wrapped up its final cultural competency certificate cohort in June. There were representatives from several non-profit organizations including Salem and Corvallis for Refugees, Church of the Park, Boys and Girls club, and Mano a Mano. They kicked off their inaugural cohort for the Inclusive Leadership Certificate on June 25th. This cohort will meet two more times in July and be the first group to receive the non-credit certificate in Inclusive Leadership.

OREGON COMMUNITY COLLEGE ASSOCIATION (OCCA) BOARD REPORT

Prepared by

Ken Hector, Board of Education/OCCA Board Member
Jessica Howard, President/Chief Executive Officer

The June Board Report covered the last OCCA Board meeting, which was in May. This July report recaps the highlights of the recently ended Oregon Legislative session. President Howard shared a brief legislative update on July 4th. The next OCCA Board meeting will occur in early October, and a report of that meeting will be in the October Chemeketa Board meeting packet.

In addition, OCCA will hold a Board Leadership and Governance Summit in Salem on September 6. The one-day event, open to all community college board members and presidents, will offer insights into effective board governance, statewide higher education structures, and the key responsibilities and expectations of board service.

SESSION OVERVIEW

The 2025 Legislative Session began with comparatively broad agreement around what the key priorities for the state and policymakers would be. These priorities included housing, behavioral health – particularly surrounding addiction counseling and services – as well as K-12 funding and the K-12 funding model, and a possible major transportation package. Funding for the wildfire season and recovery remains a persistent challenge for state budget makers. Legislative and gubernatorial priorities were not focused on higher education, creating a challenging environment to advocate for support of institutions like community colleges and public universities, as well as student services such as financial aid and basic needs.

On May 14, the Legislature also received some worrying revenue news in the state economist's quarterly economic and revenue forecast. For the first time since the pandemic, the state economist forecasted a drop in revenue from the previous forecast, predicting the Legislature would have about \$500 million less than it had previously expected. The May forecast is the final one the Legislature receives before the close of the session, so spending decisions are heavily based on the results of that report. This news left legislators struggling to fund all state services at the Current Service Levels (CSL) estimated by the Legislative Fiscal Office (LFO).

For community colleges, the CSL estimated by LFO was \$854.4 million into the Community College Support Fund (CCSF). However, OCCA and the colleges estimated the actual CSL at \$920 million. Yet with the funds estimated to be available, state budget writers struggled to maintain even the very conservative LFO CSL levels. As budgets began to roll out, it became clear that state CSL was the funding high water mark for most state agencies and programs, with many funded below that level.

The state transportation package emerged as the Session's final major challenge, facing deep partisan disagreement. Because it included a tax increase, it requires a supermajority in both chambers under the Oregon Constitution. With Democrats holding just enough seats to reach

that threshold, the proposal's success hinged on full caucus alignment or bipartisan support. In the end, lawmakers were unable to gather the votes needed, and the transportation package failed to pass before adjournment.

The Oregon Legislature adjourned *sine die* just before midnight on Friday, June 27, officially closing the 2025 Session with a mix of celebration and unfinished business. From OCCA's perspective, the session underscored the growing recognition of community colleges as essential to Oregon's economic recovery and educational equity. While long-term funding challenges persist, OCCA is encouraged by the momentum built this year and remains committed to advancing policies that advance student success, workforce readiness, and funding stability.

Community College Support Fund (CCSF)

Based on the CSL funding model used by community colleges, the Community College Support Fund would need to increase from \$800 million (2023–25 biennium) to \$920 million, representing a 15 percent increase in funding for the 2025–27 biennium. This funding level reflected rising college costs overall, especially increases in personnel expenses due to local contracts adjusting for employee inflation. Other personnel costs like health care also increased at most colleges by more than the 3.4 percent per year reflected by LFO. The 15 percent increase request also highlighted that revenue from tuition has not kept pace with increased costs as colleges continue to recover enrollment after the historic declines of the pandemic.

Ultimately, community colleges received the state CSL funding level of \$854.4 million, representing a 6.9 percent increase in funding over the previous biennium. Nearly all other programs under the Higher Education Commission received state CSL funding.

Capital Construction Projects

Three colleges had new projects go before the 2025 Legislature for approval, totaling \$20 million – \$8 million for the Clackamas Center for Excellence for Farming, Horticulture and Wildland Fire, \$4 million for a Cosmetology Campus Building at Klamath Community College, and \$8 million for classroom and lab updates at Mt. Hood Community College.

Two colleges also had projects approved in previous sessions and sought to have those projects reauthorized. The projects include a Marine Science Center at Clatsop Community College and a Welding and Manufacturing Trades Center at Southwestern Oregon Community College.

OCCA presented these projects before the Joint Ways and Means Subcommittee on Capital Construction and advocated throughout the session for community college capital projects, which were all funded at the levels requested in the capital construction bill (SB 5505) that passed in the last days of the session.

Capital Construction (HB 3635)

One of OCCA's session priorities was to increase the \$8 million cap for Article XI-G capital construction funds to which colleges have been restricted since 2007. OCCA worked with Rep. Zach Hudson, Chair of the House Committee on Higher Education and Workforce Development, to introduce HB 3635. In its original form, this legislation would have raised the cap on Article XI-G projects to \$14.25 million based on the Consumer Price Index (CPI) rate of inflation.

After a successful hearing before the House Committee on Higher Education and Workforce Development, the committee amended HB 3635 to raise the cap to \$15 million, based on

Information-3

updated CPI information and to have the cap increase each biennium based on inflation. The committee approved the legislation, which was then referred to the Joint Committee on Ways and Means. Instead of moving HB 3635, however, the Ways and Means Subcommittee on Capital Construction amended [SB 5505](#), the primary capital construction bill, with language setting the cap for community colleges at \$12 million for projects requested after July 1, 2025.

ONGOING PROJECTS

Building 2 Ice Storm Restoration

Building 2 is entering a pivotal phase with preparation to transition kitchen equipment from Building 42, which closed for food service after June 15. All contractors remain actively engaged, with insulation work and wall coverings wrapping up shortly. This momentum keeps us on track for a Fall 2025 reopening, aiming to deliver enhanced, collaborative spaces for students and staff. During renovations, food services will continue to be available in Building 8 and Building 2 near the Associated Students of Chemeketa area.

Building 14 Seismic Rehabilitation

Progress on the Building 14 seismic retrofit is accelerating. The team has begun exterior brick removal and is completing the assembly of one side of the building. Coordination with local fire departments ensures uninterrupted building occupancy during construction. The project is advancing according to schedule, targeting completion in September 2025.

PLANNING PROJECTS

Lighting Retrofit Projects

Facilities continues to advance lighting upgrades across multiple campus buildings, aligning with the latest Oregon lighting standards. These retrofits are designed to improve energy efficiency and environmental impact. We are also evaluating future opportunities for innovative lighting solutions to further enhance campus sustainability.

Building 6 LED Upgrade

The Building 6 LED upgrade is scheduled to launch this summer. Once the new LED fixtures arrive, a comprehensive building-wide installation will commence, promising improved lighting quality, reduced maintenance, and significant energy savings.

Building 7 Remodel

The Building 7 design team continues to hold weekly meetings to clearly define the current and future needs of the programs using the space. The focus is on gathering diverse input to ensure the remodel delivers a wellness-centered, flexible space that meets the evolving needs of students, athletes, and the community. The conceptual design phase is progressing, with an emphasis on inclusivity and adaptability.

NEW SCHOLARSHIP ESTABLISHED

There has been one new scholarship established this quarter:

Jennifer Marie (Horner) Chase Scholarship: Maps Credit Union Scholarship: This fund was established initially by a gift from Gary C. Horner, Ph.D. The purpose of this fund is to provide assistance for students enrolled in the Nursing Program at Chemeketa Community College.

NEW FOUNDATION BOARD MEMBER

In a unanimous vote by the Chemeketa Foundation Board, Kim Hanson was elected to a three-year term as a member of the Foundation Board of Directors. She is a strong advocate for community partnerships, has a familiarity with Chemeketa programs and scholarships, and spearheaded a new Maps Credit Union Scholarship for regional high school students attending Chemeketa. She currently serves with Jessica on the Mid-Willamette Valley Regional Solutions Advisory Committee, as well as the Executive Director of Private Foundation for Maps Credit Union.

STARS RECEPTION

The 2025 STARS Reception was held Friday, May 30, at the Salem Convention Center (SCC). This was the third year hosting this event at SCC, and the Foundation has continued to receive positive feedback from donors, students, and Foundation staff regarding the venue, catering, and support staff. More than 180 donors, community supporters, and scholarship recipients were in attendance. A big thank you to everyone who made this event a success. In total, the event raised \$9,500 toward event costs with an additional \$1,500 in-kind printing services.

FOUNDATION ADMINISTRATIVE ASSISTANT POSITION UPDATE

After more than a year in the role, we are saddened to announce that Sydney Purdy has decided to move on from the role of Foundation administrative assistant. During her time in the Foundation, she helped streamline the launch of the new scholarship suite through Blackbaud, set up a procedure manual for awarding, and helped with the awarding of more than 400 scholarships. Foundation staff are deeply grateful to have had her support and wish her the very best in her new role outside of the college. The Foundation is still in need of additional support, and will be reassessing the requirements of the administrative assistant position to ensure that the most qualified person is hired and retained for this position. Look forward to seeing more on this topic in the future.

QUARTERLY DONATION REPORT

The total amount of cash contributions for April 1, 2025–June 30, 2025, is \$402,797; the total valuation of in-kind contributions during April 1, 2025–June 30, 2025, is \$20,448.47.

**Chemeketa Community College
Spring 2025
Student, FTE and Enrollment Profile**

This page provides a breakdown of enrollment by activity, race/ethnicity, and gender. The percentage of the population in our district from each demographic group (race/ethnicity and gender) is provided alongside the student percentages. This allows the reader to compare the percentage of students to the percentage of people in the population from each demographic group to determine whether these percentages align. If the percentages align, this indicates that people in the district are accessing Chemeketa Community College at a rate that's proportionate to their representation in the district. If the percentages don't align, this indicates that people in the district are accessing Chemeketa Community College at a rate that's disproportionate to their representation in the district.

RECOGNITION REPORT

Prepared by

Jessica Howard, President/Chief Executive Officer

I would like to recognize the following for recent contributions to Chemeketa and to their professions.

Thank you to everyone in Facilities who worked tirelessly to complete the impossible...having a baseball stadium ready to go for thousands of fans in under a month! Other important recognition should go to Athletics and Information Technology staff.

2025 Commencement was celebratory and special for graduates, parents, friends, and the entire Chemeketa community. We thank the commencement committee: MIKE EVANS, MANUEL GUERRA PEREZ, MICHELLE LIMAS, HEATHER MISENER, RYAN WEST, and STACEY WELLS.

The college and the committee also thank the individuals who volunteered to help make 2025 Commencement a success: DAVID ABDERHALDEN, ROSALBA AGUILAR DE LUNA, BLANCA AGUIRRE, KAREN ALEXANDER, ALMA AMAYA, ANGELA ARCHER, KIM BAIN, LIZ BAY, SARAH BEATTY, TRICIA BLISS, FATIMA BURGER, JENNIFER COX, DENNIS CREPEAUX, JORDAN DEROSIA, HAYLEY GIBBS, JOEL GISBERT, KARYNA GONZALEZ, ABBY GREWATZ, RUSSELL JONES, SAM KIRBY, THOMAS LAMBERT, LILIANA LANDA-VILLALBA, DANIEL LEHMAN, LIDIA LUNA, JAMES MCNICHOLAS, ISABEL MENDOZA, CINDY MOORE, CLARIBEL MORENO, LUPE NAJAR-PEREZ, AMANDA PATRICK, TIFFANY PAYNE, KATIE RALLOJAY, CINTIA RAMOS CARREON, AZUSENA ROSALES SUARES, ANA SANCHEZ, RICARDO SOTO GONZALEZ, MEAGAN USSELMAN, ELIAS VILLEGAS, GARY WEST, DOUG YANCEY, ENDY ZARATE, MIKE ZUNIN, FACILITIES STAFF, PUBLIC SAFETY, STUDENT LIFE STAFF, and thank you to all of the faculty and staff who showed up to support our graduates!

**APPROVAL OF EMERGENCY MEDICAL SERVICES
ASSOCIATE OF APPLIED SCIENCE DEGREE (AAS)
[25-26-101]**

Prepared by

Chris Arbuckle, Program Chair—Emergency Medical Services (EMS)
Jordan Bermingham, Dean—Emergency Services and Diesel Technology
Francisco Saldivar, Executive Dean—Career and Technical Education
David Hallett, Vice President—Academic and Student Affairs

The Emergency Medical Technology program is seeking board approval to add a new Emergency Medical Services (EMS) Associates of Applied Science (AAS) degree.

This degree will prepare competent entry-level paramedics in the cognitive (knowledge), psychomotor (skills) and affective (behavior) learning domains with or without exit points at the Advanced Emergency Medical Technician and/or Emergency Medical Technician, and/or Emergency Medical Responder levels.

Chemeketa's EMS Degree with a paramedic focus is accredited by the Commission on Accreditation of Allied Health Education Programs upon the recommendation of the Committee on Accreditation of Educational Programs for the Emergency Medical Services Professions (CoAEMSP).

The focus will be on individuals looking for EMS-focused degrees to further their careers in our communities, which are focused on first responder employment in fire, medical, and hospital-focused areas.

The continued need for first responders in the workforce is great. The Chemeketa EMS Advisory board and Oregon EMS consortium are continuing to be challenged by the Oregon Health Authority to help reduce barriers to facilitate paramedic education and viable candidates for employment.

Looking at initial certification data over the past 10 years from the [National Registry of Emergency Medical Technicians](#), representing those entering the workforce, there has been an average growth of 4.3 percent each year, however, there are varying national estimates of the overall EMS workforce.

This continues to be a concern secondary to the rate of providers leaving the workforce. To follow workforce dynamics over time and provide more accurate estimates, the National Registry evaluated full state-based populations of EMS clinicians requiring certification for licensure. In these populations, turnover estimates varied from 16 percent to 26 percent and were higher among those with patient care roles.

The new degree is approved by both the EMS Program Advisory Committee and the Chemeketa Curriculum Committee.

It is recommended that the College Board of Education approve the EMS AAS degree.
